Maxims of Law: Fraud and Deceit

What belongs to no one, naturally belongs to the first occupant.

It is a fraud to conceal a fraud.

A concealed fraud is equal to deceit.

Gross negligence is equivalent to fraud.

Once a fraud, always a fraud.

Speech is the index of the Mind. [James 1:26]

Ignorance of the law is no excuse.

He who does not repel a wrong when he can, induces it.

Deceit is an artifice, since it pretends one thing and does another.

The principal part of everything is the beginning.
